CRYSTAL CASE FOR LG P710 OPTIMUS L7 II - FLUO BLUE

Description

Cover with the highest level of protection.
The material is polycarbonate or PC, is used for the production of helmets for motorcycles, slabs anti-intrusion and anti-abrasion, rigid, but extremely lightweight, antistatic and anti-slip.

Easy to put on the case features a practical design that helps protect your smartphone against bumps and scratches. Moreover, being designed specially on its measures, allows the use of all ports and control buttons without any problems.

The packaging includes a screen protector with an adhesive that allows you to properly position the film on the screen. Once applied, the film remains firmly fixed on the screen but it is still easy to remove if you want to change it. The film not only helps protect your screen from scratches, but at the same time also reduces the formation of reflexes and facilitates the use of the mobile phone. The cleaning cloth allows you to remove dirt and stains from the screen.
